

TPO APPLICATION

41/91/T35, T36, T34.

58 SLAITHWAITE ROAD MELTHAM HD9 5PG

My mum has secure access to her property by way of an electric gate onto the pavement at the bottom of her drive. The gate is locked at all times and there is no working intercom. If possible, if you can call before you attend we can make sure you can access the property -thankyou. Samantha (daughter).
