| <p>Both my sons play football for linthwaite, this is a great supporting club trying to constantly do more for the community. They do fundraising, try to do as much as they can for football. Even lately creating football for the less abled. To help them keep supporting youngsters and the community they need the use of all weather pitches on an evening throughout winter and weekends too, especially with all the rain we have had lately.</p> <p>There isn't enough places like this in the local community and we should be glad of somewhere the children can take part in out of school activity's making new friends and for their health and well-being.</p> | |
