| <p>Repositioning of lounge window at No. 7 Town Gate BD19 6ET.</p> <p>We strongly object to the above unnecessary repositioning of window on the grounds of intrusion of privacy.</p> <p>Due to the elevated position of this property the window would give the occupants direct and uninterrupted view</p> <p>Very little consideration over the last approximately 2 years has been give throughout all works being performed at this property I.e. very untidy and rubbish strewn site, now very overgrown, at times causing a degree of anxiety. Walkers have regularly passed comments on the unsightly view we have.</p> <p>This application emphasises that inconsideration and the window would add to that anxiety knowing someone has</p> <p>We also now have worries re the new build as to what consideration we will be given during construction, time scale, tidiness, dirt etc.</p> | |
