<p>I object to houses being built on that land because its already bad for parking and it will cause further problems for people living here. The traffic on Darley road is already busy and using this road for entry to building site will make this unbearable. Theres not enough space for residents to park and its going to cause so much noise. I have recently moved here and if this was to proceed we would generally need to consider moving as I work from home a large percentage of the time.</p>
