<p>I object to these houses being built because it effects people of Darley Road parking cars already and we dont need extra traffic down Darley road. Children play safe in our residential area. Emergency services stuggle enough getting down Darley Road without extra traffic. Residents at the bottom of Darley road park cars at top of the road and block roads in bad weather and dont need any extra vehicles from these extra houses.</p> <p>It effects our lovely wildlife that live in that area. Theres been no mention of these houses on Darley road and sign put on primrose lane but its going to effect residents of Darley Road and not primrose lane.</p>
