<p>I have recently bought a house on Denby Close, and one of the pros of the area was the views and the closeness of walks and nature, I believe that this development will not only ruin this, but destroy one of the best things about this neighbourhood.</p> <p>Further, there is already very limited parking for the existing houses in this neighbourhood, with cars parked on both sides of the road and limited access to properties. This development will only cause more problems for existing home owners/tenants of the area.</p> <p>This area is so peaceful and quiet for children to play out around and this development will ruin everything about how peaceful the area is.</p>
