<p>Once again we are having to object to the building of new houses in the field next to Darley Road.</p> <p>I objected last time with little promise of success. This time the problems are worse than last time.</p> <p>The mine shafts are still there with no hope of getting rid of them. The amount of rain running off the field has increased and runs into the valley causing flooding by the swimming pool and other new houses nearby.</p> <p>Darley Road is difficult to get up and down with more cars parked on the road. Car parks are full too.</p> <p>Large delivery trucks also struggle to get down.</p> <p>The safety of the children who live here will also be threatened.</p>
