<p>We live on denby close, parking on this estate is an absolute nightmare, it is a struggle to get cars up and down due to the amount of cars parked. No large vehicles will get through of this goes ahead. The alleged access site is completely ridiculous. Getting onto the main Halifax road is virtually impossible already let alone with 77 other houses traffic. School places in this area are non existent also, figures printed for local admissions at spen are completely inaccurate (this has come from someone who deals with admissions)</p>
