I am against the build because darley road can't take anymore cars or lorries down this road it is terrible to get down now and I have always said if there was a fire or we needed an ambulance they wouldn't get down if these houses are built where if they have buyers with children are these children going to go to school the schools are already over run at the minute,where are people going to go register for doctors there just isn't any room this development is such a bad idea for this area.
