<p>Hi</p> <p>I object to the building of 70 new property's on the grounds that it could add an additional 100 plus cars using darley road on a daily basis, as well as deliver vans and bin trucks. Darley Road is very narrow with cars parked on both sides, bunch up bumper to bumper and often on the footpath, which effectively makes it a single track road and dangerous for pedestrians. The additional traffic would be dangerous to small children crossing the road as it's harder to spot when appearing from behind a parked car.</p> <p>Plus darley road is like a river when we have heavy rain. I've seen flooding twice at the bottom of Halifax Road in the 6 years I've lived here. Ripping up a field and filling it with tarmac and concrete isn't going to help anyone who's at risk of flooding downstream of Spennbeck.</p>
