<p>I object to the proposal of additional houses with access via Darley Road. There is already insufficient space for parking of cars in this area and with the additional houses this will equate to an influx of 100+ cars. Darley road will not be able to sustain the large trucks and will cause severe disruption to all residents. I was under the impression that this land had mineshafts and therefore would be unsuitable to build on. I would prefer the land to be preserved for the nature and wildlife rather than adding to the pollution of the countryside.</p> <p>Please dismiss the proposal for the sake of the residents of Darley Road.</p>
