<p>I submitted an objection for the previous planning application for this housing development. As a resident on the Darley Road estate, my issue is the access to this new development. The road throughout the estate can barely withstand the traffic of the current houses without having a new development being built. My concern is also the disruption and the damaged caused by wagons and other building machinery being brought through the estate. If you look at the roads and parking areas currently, you will see that they are already in poor condition.</p>
