| <p>I object to the building of 70 new property on the grounds that it will add additional traffic eg. 100 plus cars using darley road on a daily basis, as well as deliver vans and bin trucks. Darley Road is very narrow with cars parked on both sides, bunch up bumper to bumper and often on the footpath, which effectively makes it a single track road and dangerous for pedestrian. The additional traffic would be dangerous to small children crossing the road as there is harder to spot when appearing from behind a parked car.</p> <p>Not to mention you're wanting to demolish a local pub that is a great place for the locals.</p> | |
