<p>I still object to this application as this is already a heavily populated built up area with a high rate of traffic. Adding 77 additional dwellings will increase air pollution , massively increase demand on the already struggling social infrastructure and remove a large amount of green space that is already limited in this area.</p> <p>Children deserve a happy , healthy , safe area to grow up in , by allowing this developement to go ahead you are removing this for the children of Darley Road and the surrounding areas.</p>
