| <p>There is only one small access road in to the new houses vis the current estate, which is already very congested with vehicles etc. The safety of children therefore is going to get worse, along with the traffic. Let alone how the diggers etc will gain access!! There are trees, woodland and green areas that will be lost, along with the wildlife that comes with it. Where will we school the children, impact on doctors, dentists that are already overstretched. I wholeheartedly object.</p> | |
