<p>Darley Road homes have no driveways, therefore all cars are parked on the street meaning that more cars driving through is going to pose extreme complications. It's a quiet area where children enjoy to play with the entrance to the greenway and again, more traffic flowing through will cause a danger and threat. It's difficult enough when the bin lorry comes due to the parked cars so for more traffic and for all the lorries etc when building it will cause chaos. To exit Darley Road onto the main road A649 is dangerous as it is, pulling out of the road to turn right especially. It is not in anyone's best interest or safety for the entrance and exit for these new dwellings to be through Darley Road. It is causing uproar and upset for residents who have enjoyed their neighbourhood thus far.</p>
