<p>To allow access to this development from an already heavily populated estate that themselves struggles to park and navigate around causing issues as it is without potentially another 100+ cars and delivery vehicles etc driving up and down is an absolute disgrace and accidents waiting to happen, winter weather up and down Darley Road can be treacherous also,</p> <p>Some wonderful wildlife around that field also that will be affected, Primrose lane itself is a little peaceful area and if this goes ahead another black mark on the landscape and more beautiful land and views gone</p>
