<p>To use Ripley Road and Darley Road as access in will cause carnage, it's already heavily congested, I have just read that they want to put yellow lines down Darley Road to ease conjection into the new estate WELL what about the residents living on Darley already it is where they park their cars there isn't anywhere else this is going to cause real issues this all sounds like the calm before the storm, turning right out of Ripley onto the main road is also an accident spot why not put yellow lines there .this is all because of greed they don't care how this will affect people or the wildlife around there</p>
