<p>There is no way that any of those roads Ripley Road and Denby/Denby Close will cope with the traffic this will cause driving down there now from Halifax Road, there are cars parked both sides making the road very narrow and no way can 2 cars pass each other, you have to manouvre/reverse.</p> <p>These are family houses and children play out so will not be as safe with so much more traffic and especially all the huge work vehicles that will be needed for this development.</p> <p>Public footpaths around here are well used and have fantastic views which will disappear from some.</p> <p>My son has a house on Denby Close and bought it for the lovely views from the garden accross the fields. This will dissapear and have a knock on effect on the value of his house as will many others down there.</p> <p>Basically That road is NOT big or safe enough for all the extra traffic.</p> <p>Commenting is pointless as sure it will go ahead any way as per usual council desicions but I am sure local people will voice their opinions hopefully.</p>
