<p>I object to houses being built on that land because its already bad for vehicles parking and it will cause further problems for people living here. Theres not enough space for residents to park and its going to cause so much chaos and noise. Bad weather and cars will be dumped everywhere causing an obstruction especially for the residents living at bottom of Darley Road.</p> <p>Big impact on wildlife we have. Theres plenty other areas to build houses where theres room for roads thats not a one way street.</p>
