

**Consultation Response from KC,
Ecology Unit**

2023/91173 749, New Hey Road, Outlane, Huddersfield, HD3 3YL

Conversion and extension of existing Listed barn to form one dwelling, alterations to existing farmhouse with associated car parking and external works [Listed Building].

Date Responded: 19/05/2023

Responding Officer: Gareth Hey

Responding Ref:

No ecological information has been submitted along with the application; therefore, the assessment of the ecological impacts is based on the limited information available. Given the location of the site, limited records of protected species and suitable habitat within the wider area, along with the proximity to the motorway, it is anticipated that the proposed development will result in negligible impacts to biodiversity receptors and as such, I have no objection to these proposals.
