Dear Kirklees Planning Team

Having looked at the proposed planning application for 73 Bunkers Lane WF17 7QT which is next to my property, I have no objections and support the planning application. Furthermore the objection raised by another individual in which they refer to my property 73A Bunkers Lane WF17 7QT and what impact they believe it would have, I would like to re-iterate that I am supporting this application and it is not detrimental to my property. Also i noticed in the objection letter point 5 in which they refer to the outbuilding potentially being used for residential purposes and i belive this is not the case, as the outbuilding is close to my house.

Kind Regards
