What is the application for?:	Erection of 21 dwellings with access from Laithe Avenue
Address of the site or building:	Land off, Bankfield Drive, Holmbridge, Holmfirth, HD9 2PH
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>The roads to this area are difficult to navigate due to excessive cars parked making it one way in many parts emergency services would struggle to attend in a timely manner . As there are no pathways (rural school route) it is already dangerous for pedestrians and children . The junction of lathe bank and bankfield drive is used as a turning point and with increased traffic both in the build and on completion would make the junctions more treacherous than they already are . In bad weather many people already drive and leave their cars by the cricket field to park causing more even more disruption to the flow of traffic and emergency services 21 houses could easily create another 42 cars plus traffic from visitors etc</p> <p>This is a rural location with far reaching views and should stay that way in accordance with kirklees council own guidelines on rural development .</p>
