<p>I am writing to object to this Planning Application.</p> <p>My main objection is that Road Safety , especially that for pedestrains ,has largely been ignored in Council Reports over the last 2 years. Assessments , paid for the Builder , have been full of errors and omissions , needing to be re-submitted on more than one occasion.</p> <p>I have learnt that the Application will be considered by Kirklees Strategic Planning Committee on Thursday 5th December.</p> <p>Would you please ensure that a SITE VISIT is carried out so that the Committee can check out the two access roads , Bankfield Drive (1 in 5 gradient) and Laithe Bank Drive (1 in 6 gradient) which are simply described as "steep" in some reports.</p> <p>Many thanks.</p>
