What is the application for?:	Erection of 21 dwellings with access from Laithe Avenue
Address of the site or building:	Land off, Bankfield Drive, Holmbridge, Holmfirth, HD9 2PH
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>I object to the application</p> <p>Increasing Traffic on a rural road which is not gritted, not paved and the school children walk to and from bus stop and local school. The safety risk to children is unacceptable and adding to this is irresponsible.</p> <p>The dry stone wall at the bottom of the field is at greater risk of collapsing by building on the land and through the increased surface water through buildings. There has been previous issues with this wall which led to repair work and there is other dry stone walls in the local area which have collapsed due to excess water which must be considered a risk.</p> <p>There are plenty of brownfield sites in Kirklees which could be used rather than destroying greenfield site which is next to Peak District park. The houses are not in keeping with neighbouring Bankfield and Laithe properties and materials going to be used are not natural.</p>
