Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>The local roads to Holmbridge are already congested, they are steep, remain ungritted in winter and access is often difficult - there are no pavements on many surrounding roads and it is already unsafe for school children and anyone walking due to the number of vehicles. This will obviously worsen with the number of cars that will be attached to such properties.</p> <p>Other infrastructures such as access to broadband and public transport - the small local school the drainage and water supply are all stretched and limited so addition of further properties without consideration of this will put further strain on the local area. There is also the loss of yet another green space.</p>
