<p>My concerns about this development relate to Health, Safety and Environment</p> <p>I believe the increased traffic that will inevitably occur will put undue strain on the narrow roads in this area present a threat to life, some of these roads do not have footpaths and both roads giving egress to the site and surrounding estate are steep and in winter are not salt or sanded and there are life threatening drops into the mill yard at the bottom of both roads. There is history of cars sliding on these roads and colliding with the wall protecting this drop.</p> <p>Can I ask if there have been any risk or impact assessments carried out relating to this development</p> <p>Thank you for considering my objection.</p> <p>14 Laithe Avenue, Holmbridge, HD92PJ</p>
