<p>The site will be accessed by either Bankfield Drive or Laithe Bank Drive. Both roads are extremely steep and converge at the bottom with Dobb Top Road and Smithy Lane.</p> <p>If there is snow in the winter the estate does not get gritted, neither is a snow plough sent to clear the roads, often resulting in an inability for residents to access the main Woodhead Road.</p> <p>The drainage and sewerage systems are already stretched and have been known to overflow on to the roads.</p> <p>The schools in the area are already full to capacity.</p> <p>I would like to strongly oppose the building of these houses off Bankfield Drive.</p>
