<p>All traffic from the proposed houses will have to exit via Bankfield Drive or Laithebank Drive. Both these are steep roads and Bankfield particularly has a hard turn to get to Smithy Lane and the main road. This road has no pavement and is a walking route for primary school children.</p> <p>Both roads NEVER get gritted during frosty or snowy days and are on the last run of ploughs days later. Consequently householders who work leave their cars on either the main road should there be room or on Dobb Top Road further hampering snow clearing. The bus dosent run during snow as it has to turn round in Holme which is far too treacherous to get to hence the cars being left on all nearby roads.</p>
