Town and Country Planning Act 1990

Town and Country Planning (Development Management Procedure) (England) Order 2015

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2023/62/91228/E

To: Andrew Dyson,
DART Engineers
Lowfield House
Vale View
Ackworth
Pontefract
WF7 7HQ

For: G Strickland

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

DEMOLITION OF EXISTING BUNGALOW AND GARAGE AND ERECTION OF DETACHED DWELLING AND DOUBLE GARAGE

At: 64, WESTFIELD LANE, SCHOLES, CLECKHEATON, BD19 6DR

In accordance with the plan(s) and applications submitted to the Council on 25-Apr-2023, subject to the condition(s) specified hereunder:-

1. The development hereby permitted shall be begun within three years of the date of this permission.
Reason: Pursuant to the requirements of Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specifications schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.
Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies LP7, LP20, LP21, LP22, LP24, LP28, LP30, LP33, LP51, LP52 and LP53 of the Kirklees Local Plan, the adopted Housebuilders Design Guide SPD and Chapters 5, 8, 9, 11, 12, 14 and 15 of the National Planning Policy Framework.

3. Nothing shall be permitted to be planted or erected within a strip of land 2.4m deep measured from the carriageway edge of Westfield Lane along the full frontage of the site which exceeds 1.0m in height above the level of the adjoining highway.
Reason: To ensure adequate visibility in the interests of highway safety and to accord with Policy LP21 of the Kirklees Local Plan.

4. The dwelling hereby approved shall not be occupied until all areas indicated to be private drives and turning areas on Drawing No. 23185- DR-C-0100 rev P4 are laid out and surfaced and drained in accordance with the Communities and Local Government; and Environment Agencies 'Guidance on the permeable surfacing of front gardens (parking areas)' published 13th May 2009 (ISBN 9781409804864) as amended or superseded; and thereafter retained, free of obstructions and available for parking throughout the lifetime of the development.
Reason: In the interests of highway safety and to achieve a satisfactory layout and to accord with Policies LP21 and LP22 of the Kirklees Local Plan.

5. The development shall be completed using coursed natural stone walling to the front elevations, natural stone render to the side and rear with blue/grey concrete roof tile.
Reason: For the avoidance of doubt and in the interests of visual amenity and to comply with Policy LP24 of the Kirklees Local Plan and Chapter 12 of the National Planning Policy Framework.

6. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 as amended (or any Order revoking or re-enacting that Order) no development included within Classes A, AA, B, D or E of Part 1 of Schedule 2 to that Order shall be carried out within the site outlined in red on the hereby approved Location Plan without the prior written consent of the Local Planning Authority.
Reason: To prevent further development of the site, which could materially harm the visual amenity of the site and the amenity of neighbouring occupiers, to comply with Policy LP24 of the Kirklees Local Plan and Chapter 12 of the National Planning Policy Framework.

7. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 as amended (or any Order revoking or re-enacting that Order) no doors, windows or any other openings (apart from any expressly allowed by this permission) shall be created in the elevations of the dwellings hereby approved.
Reason: So as not to detract from the amenities of neighbouring properties by loss of privacy and to accord with Policy LP24 of the Kirklees Local Plan.

8. The development shall not be occupied until the bathroom window on the first floor in the east facing elevation and to master bedroom in front elevation on Drawing No. 23185-DR-C-0101 rev P4 hereby approved have been obscurely glazed (to a minimum privacy level of Grade 4 or equivalent). Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended (or any Order revoking or re-enacting that Order) the obscure glazing shall thereafter be retained.
Reason: To prevent overlooking to the neighbouring properties and to accord with Policy LP24 of the Kirklees Local Plan the Key Design Principles of the Housebuilders Design Guide SPD and the aims of the National Planning Policy Framework.

9. Prior to the occupation of the dwelling, a plan detailing the positioning and location of two bird boxes (Schwegler 1SP or similar) shall be submitted to and approved in writing to the local authority. The approved bird boxes shall be provided prior to first occupation of the dwelling and thereafter be retained.
Reason: To provide an enhancement to biodiversity in line with Policy LP30 (as modified) of the Kirklees Local Plan and the requirements of section 15 of the National Planning Policy Framework.

10. The development shall not be brought into use until a scheme detailing hard and soft landscaping, tree/shrub planting, including the indication of all existing trees and hedgerows on and adjoining the site, details of any to be retained has been submitted to and approved in writing by the Local Planning Authority. The submitted scheme shall detail the surfacing for all areas to be hard landscaped. The scheme shall detail the phasing of the landscaping and planting. The development and the works comprising the approved scheme shall be implemented in accordance with the approved phasing. The approved landscaping scheme shall, from its completion, be maintained for a period of five years. If, within this period, any tree, shrub or hedge shall die, become diseased or be removed, it shall be replaced with others of similar size and species unless the Local Planning Authority gives its written consent to any variation. The areas indicated for use as soft landscaping shall be retained as soft landscaped areas for the lifetime of the development and used for no other purpose.
Reason: To ensure that there is a well laid out scheme of healthy trees and shrubs in the interests of amenity to accord with Policy LP32 and LP52 of the Kirklees Local Plan and National Planning Policy Framework Chapter 12 & 15.

11. Prior to the first occupation of the dwelling hereby approved, one electric recharging point shall be installed within the dedicated parking area of the dwelling hereby approved. Cable and circuitry ratings shall be of adequate size to ensure a minimum continuous current demand of 16 Amps and a maximum demand of 32Amps. The electric vehicle charging point so installed shall thereafter be retained.
Reason: In the interest of supporting low emission vehicles and to accord with the guidance contained in Policies LP24 and LP51 of the Kirklees Local Plan and Chapters 9 and 15 of the National Planning Policy Framework and West Yorkshire Low Emissions Strategy.

NOTE: Noisy construction related activities shall not take place outside the hours of:
07.30 to 18.30 hours Mondays to Fridays
08.00 to 13.00 hours, Saturdays
With no noisy activities on Sundays or Public Holidays.

NOTE: Kirklees Council has powers under Section 60 of the Control of Pollution Act 1974 to control noise from construction sites and may serve a notice imposing requirements on the way in which construction works are to be carried out. It has additional powers under Sections 80 of the Environmental Protection Act 1990 to prevent statutory nuisance including noise, dust, smoke and artificial light and must serve an abatement notice when it is satisfied that a statutory nuisance exists or is likely to occur or recur. Failure to comply with a notice served using the above-mentioned legislation would be an offence for which the maximum fine on summary conviction is unlimited.

NOTE: The granting of planning permission does not authorise the carrying out of works within the highway, for which the written permission of the Council as Highway Authority is required. You are required to consult the Design Engineer, Flint Street, Fartown, Huddersfield (Kirklees Street Care: 01484 221000) with regard to obtaining this permission and approval of the construction specification. Please also note that the construction of vehicle crossings within the highway is deemed to be major works for the purposes of the New Roads and Street Works Act 1991 (Section 84 and 85). Interference with the highway without such permission is an offence which could lead to prosecution.

NOTE: It is the applicant's responsibility to find out whether the work approved by this planning permission requires written approval from the Highways Structures section for works near or abutting highway and any retaining structures. Contact Highways Structures Section on Tel No. 01484-221000 who can advise further on this matter.

NOTE: Birds and their nests are fully protected under the Wildlife and Countryside Act 1981 (as amended), which makes it an offence to intentionally take, damage or destroy the eggs, young or nest of a bird whilst it is being built or in use. Disturbance to nesting birds can be avoided by carrying out vegetation removal or building work outside the breeding season, which is March to August inclusive.

NOTE:
- A Standard Electric Vehicle Charging Point is one which is capable of providing a continuous supply of at least 16A (3.5kW) and up to 32A (7kW). The higher output is more likely to be futureproof.
- Standard charging points for single residential properties that meet the requirements specified in the latest version of "Minimum technical specification - Electric Vehicle Homecharge Scheme (EVHS)" by the Office for Low Emission Vehicles will be acceptable. Basically, charging points that provide Mode 3 charging with a continuous output of least 16A (3.5kW) and have Type 2 socket outlet would be acceptable.
- The electrical supply of the final installation should allow the charging equipment to operate at full rated capacity and the installation must comply with all applicable electrical requirements in force at the time of installation.

Plans and specifications schedule:-

Plan Type	Reference	Version	Date Received
Location plan, block plan/roof plan and floor plan and elevation drawings as existing	Dwg no. 22-034-01		24.04.2023
Proposed site layout	Dwg no. 23185-DR-C-0100	P4	06.10.2023
Proposed floor plan	Dwg no. 23185-DR-C-0101	P3	18.08.2023
Proposed elevations	Dwg no. 23185-DR-C-0101	P4	06.10.2023
Proposed street-scene	Dwg no. 23285-DR-C-0103	P3	17.08.2023
Additional information: Climate change statement			24.04.2023
Design and access statement			24.04.2023

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. During the course of the application the scale of house was reduced and an enlarged garage was rejected in favour of initially submitted double garage. Minor alterations to the fenestration were sought and received and a street-scene drawing submitted.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant's responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- **This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "*submitted to and approved in writing by the Local Planning Authority*".**

- **You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.**

- **This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.**

- **You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.**

- **It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.**

- **If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.**

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at: www.gov.uk/government/organisations/the-coal-authority

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- **Economic prosperity – workforces that are digitally-literate enables business to thrive.**
- **Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.**
- **New services – digital delivery can lower costs and provide innovative public and health services more conveniently.**

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speeder installation at a later date.

To discuss the benefits that FTTP may have for your development, please contact Carl Tinson in Kirklees Council's Digital Team at carl.tinson@kirklees.gov.uk

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- **If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.**
- **If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:**

  i) 28 days of the date of service of the enforcement notice, or
  ii) within the specified period, starting on the date of this notice,

  whichever period expires earlier.

- **If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.**

- **The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.**

- **Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/appeal-planning-decision. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website https://www.gov.uk/government/organisations/planning-inspectorate.**
- **You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.**
- **The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.**
- **The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.**
- **In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.**

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- **If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.**

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.
