Postcode:	S36 4HG

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Impact on highway safety and traffic- especially as they will be using Carr Hill Road as a cut through to crow Edge - this road has a weight limit, but does not seem to be taken seriously by large vehicles at present! Children walking to the local school will be more likely be in danger with the number of large trucks going up and down this road. If the junction at the Sovereign Petrol station was suitable for such vehicles to turn left maybe this would help, but as im sure there has been many a complaint regarding Carr Hill Road been used as a rat run for traffic avoiding the Sovereign Junction. Noise, disturbance and odour will effect all persons living up Carr Hill Road, and surrounding area, which again will make living in the countryside not the reason we moved there in the first place.
