Postcode:	S36 4HG

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This application will cause increased traffic, noise and dust in our village. Large numbers of HGVs will travel along Carr Hill Road every day. Safety concerns related to this road have already been raised formally with councillors and the police. There is no pavement and no effective enforcement of speed limits. These HGVs would present a serious threat to the safety of pedestrians. The mud and dust, noise and air pollution that these lorries would bring would have a severe detrimental effect on the environment in our rural village.
