Address of the site or building:	Bromley Farm Quarry, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8PD
Postcode:	S36 4HG

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This application would have a serious impact on the local area .It would create an increased amount of dust which will travel far and wide leaving a grey coating on everything. The increase in heavy goods vehicles will put additional strain on already busy roads and dangerous crossroads and these vehicles wheels when it's raining or wintertime carry clay onto the surrounding road networks which absolutely covers peoples cars with this mess and makes the roads very slippery and dangerous and the despite the use of roads sweepers and wheel washing this does not control this serious and unacceptable problem. This has been seen many times in previous clay movements and resulted in accidents and the Police and local authorities having to take action.
