My objection is the amount of additional heavy traffic that will be generated in Cumberworth Lane if this application is approved. The Denby Dale leg of this road is already used as a cut-through by all forms of traffic including farm traffic, HGV's and buses to Upper Cumberworth, Shelley and Skelmanthorpe (and in the opposite direction to Denby Dale). There are several dwellings only feet away from the road on the approach to Lower Cumberworth all the way down to Shelley Woodhouse Lane. Only this morning (14/08/2023) two large quarry trucks were already using Cumberworth Lane between Upper and Lower Cumberworth blocking the road forcing cars to pull up on to the pavement in order to get past. I fear this is going to be a regular occurrence as well as a danger to pedestrians.
