Address of the site or building:	Bromley Farm Quarry, Barnsley Road, Upper Cumberworth, Huddersfield, HD8 8PD
Postcode:	S36 4HG

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
This application does not address the impact of increased HGV traffic on the surrounding roads and in particular access to Crow Edge via Wood Royd Hill Lane and Victoria crossroads. The proposal will increase significantly noise, general disturbance of HGV's grinding up the tight bends on the hill adjacent to 4 properties and increase dust, dirt and diesel pollution. The lane, currently with a 60 mph speed limit, is used by walkers, cyclists and horse riders on a daily basis. Their safety is already disregarded by many drivers despite recent Highway Code changes. An increase in HGV traffic puts all vulnerable road users at risk.
