Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
I live next to the site and would like to object for the following reasons; The road is already busy with frequent speeding therefore this will increase the risk of accidents and also a negative impact on local road noise. The Sovereign crossroads are very dangerous and this will also add to the load and increase risk. The proposals will adversely affect local diversity of wildlife due to the nature of the works.
