I object to the planning in this case. There are business on Ruth street that all of my family personally use and they are highly popular for the community of Newsome.I do not understand how causing harm to these businesses would benefit the Village. They may never recover from this devastation. One of the business on Ruth Street is a Gym. The gym helps to support the community by providing not only exercise and a healthy lifestyle they also provide classes for children which sets off the healthy minds for their futures. There's a school and care home in this area and i feel the traffic and construction would be detrimental to both of those too and could cause distress.
