<p>I have serious concerns for the impact this development will have on the businesses on Ruth Street. Should access be removed to these businesses during development, JRSC gym and others, they are at risk of closure or significant loss of income. Once the development is completed there is a significant risk that any restrictions imposed as a result of a new housing development being co-located would impact the future viability of the business. For example restricting operation hours, parking and accessibility, and noise restrictions.</p>
