Dear Sir/Madam

We refer to the above planning application and would like to comment as follows:

1. We have been informed that part of the proposed extension would be built on land belonging to number 11 Holmfirth Road.
2. If the owner of no. 9 was able to purchase all of the additional land, the large extension would overshadow the 2 other neighbouring properties
3. The very pleasant rear view of the small wooded area would be diminished considerably. This would have a negative impact on both neighbouring properties.
4. The contemporary style of the proposed addition, albeit very smart, is not in keeping with the remainder of the terrace.

**5, Please note that we do not wish our names or address to be published, Please confirm that our wishes will be carried out.  
Thank you.**
