Subject: Application no- 2023/91350
Date: 27 May 2023 13:36:48

Storage Yard/Car Park
Cannon Way, Dewsbury, WF13 1XH

To whom it may concern(s)

I fully appose to the application as the site is causing a nuisance and anti social behaviour and drug use is taking place at this site. Loud music is played during the day and at night.

We pay the highest council tax on Park Road, Savile Town and we will not tolerate the application being successful.

If need be we are ready to appoint legal advisers and if the council lose the battle you will need to pay the costs.

In the past there has been numerous complaints regards to the council allowing places like this to run and be built on and we are still awaiting for the last 3 years a canopy and decking area that has been erected without planning application on Savile Rd, Dewsbury on the corner of South Street.

As advised if the council do not get there act together we will have no choice but to take legal action. We will also be holding local meetings with residents to discuss these failing matters by Kirklees council and and as a team will we do whatever possible to fight our concerns.

Thanks,

Park Place,
Park Road,
Savile Town,
Dewsbury,
WF12 9LW
