Date: 04-Jul-2023  
Our Ref: 2023/91384

Dear Sir/Madam

**TOWN AND COUNTRY PLANNING ACT 1990  
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT)  
(ENGLAND) ORDER 2015  
APPLICATION NO: 2023/91384  
DEVELOPMENT: PRIOR NOTIFICATION FOR 15M 5G TELECOMS INSTALLATION:  
H3G STREET POLE AND ADDITIONAL EQUIPMENT CABINETS LAND ADJ, 28,  
GROSVENOR ROAD, DALTON, HUDDERSFIELD, HD5 9HZ**

I refer to your submission of details relative to telecommunications development proposals as described above.

The proposal as submitted is acceptable and, subject to all works being carried out in accordance with the submitted details and plans, the Council will not require the submission of further details. Prior approval is, therefore, granted and the works described may be carried out.

I would draw your attention to the provisions of Schedule 2, Part 16, of the General Permitted Development Order as amended, which requires that any works notified to the Council under these provisions must be carried out within a period of 5 years from the date on which the Local Planning Authority granted prior approval. As such the development proposed must be completed before 03-Jul-2028. Failing this, if you intend to carry out the works after this date, further notification will be required.

Note: The Council's Highways Development Management Team recommend the submission of a construction management plan and maintenance plan to the Local Authority in conjunction with the proposed development of the hereby approved 5G telecoms installation.

Note: the granting of planning permission does not authorise the carrying out of works within the highway, for which the written consent of the Council as Highway Authority is required. You are required to consult the Design Engineer, Flint Street, Fartown, Huddersfield (Kirklees Street Care: 0800 9318765) with regard to obtaining this permission and approval of the construction specification. Interference with the highway without such permission is an offence which could lead to prosecution.

Note: Details of the provision to be made for the safe parking, loading and unloading of equipment by crane and the parking of the workforce during construction works, including details of any traffic management and appropriate licenses or legal agreements should be agreed with the Kirklees Street Works Team.

Plans and specifications schedule:-

Plan Type	Reference	Version	Date Received
Drawing Register	KKS25881_KKS289_95321_HD0299_GA_REV_B	B	11/05/23
Site Location Plan	KKS25881_KKS289_95321_HD0299_GA_REV_B	B	11/05/23
Proposed Site Plan	KKS25881_KKS289_95321_HD0299_GA_REV_B	B	11/05/23
Proposed Site Elevation	KKS25881_KKS289_95321_HD0299_GA_REV_B	B	11/05/23
Developer Notice served on Highways Authority	KKS25881 – GROSVENOR ROAD	-	11/05/23
Declaration of Conformity with Internal Commission of Non-Ionizing Radiation Protection Public Exposure Guidelines	KKS25881_ICNIRP_FORM_LPA_REV_B	-	11/05/23
Gov Statement	-	-	11/05/23
SSSI and Planning Statement	KKS25881 – SSSI and Planning Statement for CELL Street Works	-	11/05/23
5G Health and Network – Briefing	-	-	11/05/23

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. No amendments were sought as it was considered that the proposal was acceptable as submitted.

## **Development within a Coal Mining Area**

### **DEVELOPMENT LOW RISK AREA – STANDING ADVICE**

**The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.**

**Further information is also available on the Coal Authority website at:**

**[www.gov.uk/government/organisations/the-coal-authority](http://www.gov.uk/government/organisations/the-coal-authority)**

If approval under the Building Acts is required for the development, you should ensure that such approval has been obtained before carrying out any works. Contact the Council's Building Control Section for further advice. (Telephone: 01484 221550)

I would advise however that you contact the Area Engineer for Highways at Flint Street, Fartown, Huddersfield to ensure that your siting is compatible with the location of underground services, the movement of pedestrians and emergency vehicles and road safety in general. The siting of such an item of street furniture is likely to require a licence from Highway Services.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to [dc.admin@kirklees.gov.uk](mailto:dc.admin@kirklees.gov.uk) so that we can work on continually improving our customer service. Thank you.

Yours faithfully

Mathias Franklin  
Head of Planning and Development
