<p>I am fully supportive of this application.</p> <p>Approval of this application will provide recruitment opportunities for individuals within the local area and reduce the need for individuals within the area to travel via car to the town centre.</p> <p>A number of housing developments have been proposed within the area and as such infrastructure such as this is required to support it. Similar applications have been approved within the Lindley area with no apparent negative impact to other businesses.</p> <p>Approval of this application can only be a positive for the area.</p>
