I would like to support the above planning application.

A Lidl store would be a great addition to the Crosland Moor area which would offer local people an increased shopping choice and help families with limited disposable incomes.

The planned store would be in a very accessible location for shoppers in the area.

The store would also offer the chance of employment to local people and Lidl has a reputation as a good employer offering good rates of pay.

Crosland Moor is a highly populated area but lacks a reasonably priced supermarket.
