<p>Good Morning</p> <p>I have concerns on the use of the newly erected stables and development. I frequently walk and ride a horse on the Bridalway on this section of Red Lane and have found a heavy increase of vehicles since the opening of the connected/adjacent Puppy Farm, Kennels and retail shop in 2021.</p> <p>What is the assurance that this new development will not be used for commercial use now and in the future and a further increase of traffic on the Bridalway in this rural area of Meltham.</p>
