<p>There should be a clear boundary(preferably 1m) between the Garage and the neighbouring property instead of the wall being built next to / into the neighbouring properties fence.</p> <p>The flat roof should be at a height that is lower than, or same as, the base of the neighbouring fence to ensure those walking on the roof are not looking into the neighbouring garden for their right to privacy.</p> <p>The flat roof should run down away from the neighbouring property to avoid any flooding directed to the neighbours property.</p>
