Dear Sirs

I am writing to object strongly to the proposed development planning permission 2023/91483. On Holmfield Clayton west.

I have been a resident in Holmfield since 1997 and there has always been a problem with parking. As the years go by most homes have two cars...this is only going to add to our problem.

Parking is especially difficult with the school opposite and also delivery lorries.

All parking for the old people's bungalows is on Holmfield too. Holmfield is used by children and adults as a walkway to school and to the recreation field.

There would be no safe access for the works involved.

It is of great concern that some trees may be removed...disturbance of wild life!!

I would be grateful if you will give my comments careful consideration.

Yours sincerely
