<p>Prickleden Mill Dam is habitat for Kingfisher, Damselflies, Dragonflies Grey Wagtail and many other visiting and breeding birds. What are the proposals for this nature rich pool?</p> <p>Whilst it would be desirable for the developers to make it a feature of the development, they should be dissuaded from making the entire circumference into a searing walking area and to keep at least 75% of the circumference furthest away from the apartments as natural habitat.</p>
