Greetings Mathias Franklin,

I was involved in a . I sustained traumatic injuries. I was in a for six weeks, I was in and out of various hospitals, until To make a long story short I've , which causes great difficulties with my

I had to relearn all again. I also have problems with my . No two days are alike, so living daily life is difficult and challenging for me.

so your Pickled Mills project will destroy my Beautiful and healing views down the lane, which gives me so much joy, then replace them with hideous buildings that destroy all of the natural habitat in the area. Don't you also have a responsibility to the local wildlife?

With Kind Regards
