Good evening, I am writing to express my objection to the above planning application. Lower Mill Lane is a small, child friendly neighbourhood set in the middle of a bustling Yorkshire Town. It is an oasis of calm and safety away from the constant traffic that struggles through Holmfirth every day of the week. Children can play here in relative safety.

To have months of constant noise from construction traffic and air pollution can't be in the interests of young families living in the area.

The narrow and ancient cobbled access by the Elephant and Castle public house, I think should be protected as a reminder of the industrial past of the area and in keeping with the grade two listed properties nearby. There is also an issue with a blind line of sight for any residents trying to access Lower Mill Lane from the rear car park of Lower Mill. At the moment traffic is light and cautious.

Kind regards,

26 Lower Mill Lane.
