

About the application

Application number: 2023/91491	
What is the application for?:	Erection of 61 age-restricted apartments with ancillary accommodation including
Address of the site or building:	Prickleden Mills, Woodhead Road, Holmfirth, HD9 2JU
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>The number of units for application is far too high. Congestion on Huddersfield Road, Woodhead Road and Hollowgate is already dreadful. At times of community events the town comes to a standstill due to bottlenecks of traffic. More properties will impact on this further. The mill dam and surrounding areas are a haven for wildlife and all too often we hear about wild animals killed on the road as their natural habitats are getting reduced due to buildings. Smaller wildlife including water birds, amphibians, hares, rabbits etc will have less place. Cutting down vegetation is going to reduce where wildlife live and totally spoil what is a beautiful area to walk and enjoy. More fumes from vehicles of the residents and delivery / service vehicles will impact on the carbon footprint of our town. 61 units is a very high amount ideally I would object to all 61 but suspect this is not possible please take this into consideration but also consider if not a total rejection perhaps accepting 50% of the units and the developers give back to the environment what they have to take so enabling accessibility in walk ways and ensuring that wildlife and vegetation is not compromised</p>
